2020 PARTNERSHIP OPPORTUNITIES

2020 VIRTUAL CONFERENCE THEME

Uncomfortable Conversations that Ignite Change is a two day conference designed as a safe space and place to listen and learn. This virtual conference will take all of the pain, hurt, anger, fear and emotion that we are all feeling and harness that energy into a powerful tool of action, where through meaningful and healing dialogues, we can bring about sustainable change.

In order for true progress to be made, difficult and sometimes uncomfortable conversations must be had around the topics of Systemic Racism, Bias, Privilege, Equity and Allyship. Join us with open minds and kind hearts as we stand together for Justice and Equity for All.
